Vehicle Registration Form

All Students must obtain a parking decal to park on campus. Vehicles not registered and that do not have a current parking decal affixed to the vehicle are subject to parking fines for non-registration.

All Decals expire on August 1 of each year. Students returning in August must register vehicles annually. Please do not discard old decals. Campus Police will issue validation stickers each year for the current year.

In order to register a Vehicle with Campus Police, students will be required to show a valid Drivers License and a vehicle ownership/registration card before a parking decal will be issued.
